Enclosed is a form for you to fill out and return as soon as possible. Please include your \$85.00 check made payable to Esperanza Bonanza 2010 for the 10ft. x 10ft. area so we can reserve your spot. I will be mailing you your two parking passes and two wristbands.

If a vehicle does not display an official parking pass, **it will be towed at the owner's expense.** General parking will be on the Marion School parking lots with free shuttle service provided.

Electricity Availability: While electricity will be limited, we will be able to accommodate some booths that need it. You will need to bring an extension cord and will only have access to 110 voltage. **Please let us know when you return your enclosed form of your electrical needs.**

Underage Drinking: Regardless of laws governing drinking, underage drinking **is not** allowed anywhere on the Esperanza grounds. This subject has earned us some criticism in recent years. We must and will adhere to the following policy:

Alcoholic consumption by minors (under 21 years) of any means will not be tolerated at the Esperanza Bonanza Festival. This includes the grounds of the event as well as the designated parking areas. Anyone violating this policy or allowing a minor to consume alcoholic beverages will be asked to leave immediately with no refund of fees. Additionally, they will be reported to law enforcement officials.

Trash and Cleanup: We have developed a procedure to collect the trash during the festival. Please see enclosed schedule. When you leave the grounds on Saturday or Sunday, please leave the area much like you found it when you arrived. Please take all items with you.

No Glass Containers: Please use paper or plastic containers to avoid the danger of injury from broken glass.

Festival Equipment: Please do not touch festival equipment or electrical facilities. If you have a need to deal with electrical or water, please see a festival official.

Pets: While we "love" them" like you do, there are others who don't. Please leave them at home where they will be more comfortable.

We believe these rules are for the general good of our visitors and participants. Cooperation and awareness will go a long way in making Esperanza Bonanza 2010 the delightful, crowd-pleasing event as it has been in the past.

Thank you.

Joanie Lindley
